THE BAR ASSOCIATION.

Permanently Organized on a Non-Political Basis and the Debateable Resolutions are Withdrawn.

The second meeting of the lawyers interested in organizing a Bar Association which was held yesterday afternoon in the Judiciary Building had nearly double the number present than attended at the previous meeting. It was furthermore a thoroughly representative gathering for nearly all the senior members of Bar at present in Honolulu were in attendance including among them the Attorney-General and his deputies and assistants and ex-Attorney Generals and Cabinet Ministers Smith, Hatch, Browne, Neumann, Castle and Armstrong, with Speaker Kaulukou, W. A. Kinney and Judge Peterson and Marshal Brown.

The temporary chairman, Mr. J. M. Davidson, in a temperate speech in which he deprecated partisan politics in such an organization as he never had affiliated with politics, withdrew from the temporary presidency and Mr. Paul Neumann was unanimously elected in his stead, Mr. Case continuing as secretary.

The constitution providing specifically that the association shall be non-political in character, was then considered section by section and eventually adopted as a whole.

The election of officers resulted in the election for the ensuing year of:

Paul Neumann, President; S. M. Ballou, Vice-President; A. A. Wilder, Secretary; S. K. Kane, Treasurer.

Messrs. Hatch, for president, A. G. M. Robertson, for vice president, and Messrs. Case and W. O. Smith for secretary were also placed in nomination but gracefully and courteously withdrew in favor of the other nominees, who were elected by acclamation.

The President was directed to appoint a committee of three to draft by-laws for the association to report at the next meeting.

Mr. George Gear, with the consent of his second, Mr. Geo. Davis, withdrew the debateable resolution, (and the other one which he had given notice of presenting), which had threatened to become a very disturbing element in the organization.

Judge Davidson neatly replied for Mr. Paul Neumann on his assumption of the presidency.

The association adjourned to the call of the chair.

They Will Decorate.

A beautiful arch is being built across King street from the Anchor Saloon to the celebrated Pacific Mixiologic establishment across the street. Peacock and Lovejoy are shaking hands and will join in celebrating the 4th of July. Chas. McCarthy and "Jim" Dodd have also joined in the noble purpose of whooping it up, and an arch is to be built and decorated across Fort street for the festive occasion.

We hope to be able to state tomorrow that an arch will be made between the Cosmopolitan and the Empire, and that the Commercial and the Emma Kindergarten will have a connection. Hurrah for the Glorious Fourth!
